## Beverage Gaskets and Seals

**Manway Gaskets:** Manway Gaskets are available in Neoprene, EPDM, BUNA and all FDA materials.

**Expanded PTFE:** The tightest possible seal. Suitable for FDA and high purity applications. Products include: Joint Sealant, Flange Gaskets, Heat Exchanger Gaskets and Gasket Tape.

**O-Rings and Gaskets:** Austin Seal has a large selection of o-rings in BUNA, EPDM, Teflon, Viton, Kalrez® and Silicon in Standard and Metric sizes.

We also supply Tri-Clover, Clamp, Flange, Screen and Sanitary Gaskets in FDA, BUNA, EPDM, Silicon and Viton.

Having served Austin and the surrounding area since 1993, Austin Seal Company is the source for all of your Tank Seals, Manway Gaskets, Bottling and Filler O-Rings. We have various profiles, materials and sizes, all FDA. Pricing available upon request.
